Occasional Meals Rules Reminders:

- USD staff members may provide a student-athlete or full team with an occasional meal at any location within the locale of USD. Reasonable local transportation may be provided to the student-athletes to attend the meal.
Boosters may only provide an occasional meal to a student-athlete or full team at the booster's home, at a home athletics facility (DakotaDome), or any on-campus facility or on-campus restaurant (MUC) and the meal may be catered. Reasonable local transportation may be provided by the booster to the student-athletes to attend the meal only if the meal takes place at the booster's home.
'Occasional' is defined by the Compliance Office and it is the student-athlete that must receive a meal on an occasional basis (not per staff member or booster).
During an official visit, a prospect may attend an occasional meal, provided the meal does not occur at a booster's home. This meal must count as one of the three permissible meals per day.
