

Volleyball – Evaluation Days Reporting Form

Academic Year: _____

An evaluation day is defined as one coach engaged in the evaluation of any prospect on one day (12:01 a.m. to midnight). Two coaches making evaluations on the same day shall use two evaluation days. The combined total of such days for all staff members shall not exceed 80 in women's volleyball. This does not include employment of coaches in camps/clinics or the observation of prospects participation in high school volleyball competition, but does include involvement outside the contact/evaluation period with a local sports club.

To comply with the legislation, USD'S Volleyball staff must keep a calendar of the 80 Evaluation Days and submit it annually to the Compliance Office:
